Hendra, Brisbane

Our own label. Built for people who clean and fix for a living.

Staghorn is Hendra Hardware's own brand. We had it made to our spec for the jobs our customers do every day: commercial cleaning, property turnovers, maintenance and the trade toolbox.

Every piece carries the Staghorn label and its own barcode, so it is ready to sell on a shelf or hand out to a crew. It is packed by the carton, so it moves on a trolley or a pallet without fuss.

"Get the job done right the first time."

We are clearing the range to make room in store. That is the only reason this pricing exists, and once a line is gone it is gone.
